ELMODIS Sp. z o. o.
ul. Jana Dekerta 24,
30-703 Kraków

LETTER OF REFERENCE

ELMODIS Sp. z o. o. with its registered office in Kraków is the supplier of a system that monitors the operation of process line equipment in “Cukrownia Kruszwica” sugar plant in Kruszwica, Poland. The application covers monitoring pumping engines, fans, sugar conveyors and lifting gear.

The implementation of the system enabled an increase in the availability of process line equipment which undoubtedly contributed to the improvement of the production process efficiency.

The works commissioned from ELMODIS Sp. z o. o. were performed in a reliable and timely manner, according to the concluded agreement and in line with the technical specification set forth in the technical documentation. The results achieved by implementing the system will constitute a positive basis for a decision on extending the cooperation with ELMODIS Sp. z o.o. in implementing the system in other branches of Krajowa Spółka Cukrowa S.A.

Yours faithfully

Director of Technical and Production Department
